Class Descriptions

Relax, Stretch & Restore:

Sandra King – Calming class designed to help your body unwind and reset. Through gentle stretching, deep breathing, and mindful movement, you'll release tension, improve flexibility, and support recovery after workouts or long days. Perfect for all fitness levels, this class leaves you feeling relaxed, refreshed, and restored—ready to move better and feel your best.

BootCamp:

Cameron Taylor – Start your day strong with a high-energy, full-body boot camp designed to build strength, improve endurance, and boost overall fitness. This coach-led class combines strength training and cardio in a structured, fast-paced format, with options for all fitness levels.

Circuit Fitness Plus:

Sandra King – Combining cardio from box step ups to stairs, and sprints combined with body sculpting. From free weights, body bars, medicine balls, and your own body weight. A great challenge to bring your body to your full potential.

Joint Mobility:

Dean Carpenter – Moves the joints through their full range of motion; feeding, washing and lubricating the joint. This class is known to restore health and lost function to the joints and connective tissue of the body.

Dance Fitness:

Charice Bender – This class involves easy-to-learn steps providing both physical and mental exercise. Dancing improves balance, boosts energy levels and reduces the risk of many illnesses including but not limited to dementia, high blood pressure, and diabetes.

Sculpt and Tone:

Sandra King – This is a 45-minute, lunch time workout to give your body a great metabolism boost. This strength building class uses a variety of equipment to bring definition to every muscle group. The Sculpt & Tone workouts will leave your entire body looking FIT and FABULOUS!

SilverSneakers Classic:

Rachael Williams – A chair-assisted class where we use hand weights, resistance bands, and a soft hand held ball to mimic our daily activities to enhance our range of movement, flexibility, balance and coordination! The Silver Sneakers program is a fitness, friends, and fun program designed to nurture your physical fitness as well as your social wellbeing.

SilverSneakers Yoga:

Rachael Williams – You'll be guided through a series of seated and standing yoga poses designed to increase flexibility, balance, and range of motion. It makes a great complement to an active lifestyle, or as a way to gently ease into movement.

SPIN:

Mandy Martin – Hop on board for a 45-60 minute high energy bike ride set to upbeat music, and prepare for a mega sweat-sesh! You'll get a high calorie burn while improving your cardiovascular fitness and muscular endurance. Suitable for all abilities.

Water Aerobics Gathering:

Herbert Inman and Tony Reynolds – This is a water fitness gathering. We stretch, we walk and we work on building strength. We use the water dumbbells and use the water for resistance. The class is designed to help the participants gain strength, flexibility, and stamina.
